Vote to Approve Ordinance on First Reading and Transmit to the state land planning agency, Florida Commerce

OR

Vote to Not Approve Ordinance on First Reading and Not Transmit to the state land planning agency, Florida Commerce

ORDINANCE NO. 557

AN ORDINANCE OF THE CITY OF CEDAR KEY, FLORIDA, RELATING TO AN AMENDMENT OF THE TEXT AND FUTURE LAND USE PLAN MAP SERIES OF THE CITY OF CEDAR KEY COMPREHENSIVE PLAN, PURSUANT TO AN APPLICATION CPA 24-02, BY THE CITY COMMISSION, UNDER THE AMENDMENT PROCEDURES ESTABLISHED IN SECTIONS 163.3161 THROUGH 163.3248, FLORIDA STATUTES, AS AMENDED; PROVIDING FOR AMENDING THE TEXT AND FUTURE LAND USE PLAN MAP SERIES OF THE COMPREHENSIVE PLAN, INCLUDING THE FUTURE LAND USE PLAN MAP 2044, BASED UPON AN EVALUATION COMPLETED BY THE CITY TO REFLECT CHANGES IN STATE REQUIREMENTS PURSUANT TO SECTION 163.3191, FLORIDA STATUTES, AS AMENDED; PROVIDING SEVERABILITY; REPEALING ALL ORDINANCES IN CONFLICT; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, Section 166.021, Florida Statutes, as amended, empowers the City Commission of the City of Cedar Key, Florida, hereinafter referred to as the City Commission, to prepare, adopt and implement a comprehensive plan;

WHEREAS, Sections 163.3161 through 163.3248, Florida Statutes, as amended, the Community Planning Act, empowers and requires the City Commission to prepare, adopt and implement a comprehensive plan;

WHEREAS, an application for an amendment, as described below, has been filed with the City;

WHEREAS, pursuant to Section 163.3174, Florida Statutes, as amended, and the Land Development Code, as amended, the Local Planning Agency, held the required public hearing, with public notice having been provided, on said application for an amendment, as described below, and at said public hearing, the Local Planning Agency, reviewed and considered all comments received during said public hearing concerning said application for an amendment, as described below, and recommended to the City Commission approval of said application for amendment, as described below;

WHEREAS, the City Commission held the required public hearings, with public notice having been provided, under the procedures established in Sections 163.3161 to 163.3248, Florida Statutes, as amended, on said application for amendment, as described below, and at said public hearings, the City Commission reviewed and considered all comments received during said public hearings, including the recommendation of the Local Planning Agency, concerning said application for an amendment, as described below; and

WHEREAS, the City Commission has determined and found that approval of said application for an amendment, as described below, would promote the public health, safety, morals, order, comfort, convenience, appearance, prosperity or general welfare.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF CEDAR KEY, FLORIDA, AS FOLLOWS:

SECTION 1. Pursuant to an application, CPA 24-02 by the City Commission, to amend the text and the Future Land Use Plan Map Series of the Comprehensive Plan, amendments to the text of the Future Land Use Element, Transportation Element, Infrastructure Element, Conservation and Coastal Management Element, Recreation and Open Space Element, Housing Element, Public School Facilities Element, Intergovernmental Coordination Element, Capital Improvements Element, Historic Preservation Element, and the Future Land Use Plan Map Series of the Comprehensive Plan and the addition of a Property Rights Element, incorporated into the document entitled Comprehensive Plan Evaluation Amendments, dated July 16, 2024 and the Future Land Use Plan Map 2044, are hereby adopted.

SECTION 2. Severability. If any provision or portion of this ordinance is declared by any court of competent jurisdiction to be void, unconstitutional or unenforceable, then all remaining provisions and portions of this ordinance shall remain in full force and effect.

SECTION 3. Conflict. All ordinances or portions of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 4. Effective Date. This ordinance shall be effective upon adoption.

The effective date of this plan amendment, if the amendment is not timely challenged, shall be the date the FloridaCommerce posts a notice of intent determining that this amendment is in compliance. If timely challenged, or if the state land planning agency issues a notice of intent determining that this amendment is not in compliance, this amendment shall become effective on the date the state land planning agency or the Administration Commission enters a final order determining this adopted amendment to be in compliance. No development orders, development permits, or land uses dependent on this amendment may be issued or commence before it has become effective.

SECTION 5. Authority. This ordinance is adopted pursuant to the authority granted by Section 166.021, Florida Statutes, as amended, and Sections 163.3161 through 163.3248, Florida Statutes, as amended.

PASSED upon first reading this 16th day of July 2024.

PASSED AND DULY ADOPTED upon second read and final reading with a quorum present and voting by the City Commission in regular session this _____ day of _____ 2024.

Attest:

CITY COMMISSION OF THE
CITY OF CEDAR KEY, FLORIDA

Jennifer Sylvester, Interim City Clerk

Sue Colson, Mayor

COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

Honorable Mayor-Commissioner and
Board of Commissioners
City of Cedar Key
Cedar Key, Florida

We have audited the financial statements of the governmental activities and each major fund of the City of Cedar Key, Florida (the City) for the year ended September 30, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 14, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the City are described in Note 1 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2023 except as follows:

- During the fiscal year ended September 30, 2023, Governmental Accounting Standards Board (GASB) Statement No. 96, *Subscription-Based Information Technology Arrangements*, became effective. This statement defines a subscription-based information technology arrangement (SBITA), establishes that a SBITA results in a “right-to-use” asset and a corresponding liability, and provides the criteria for outlays and subscription payments, as well as required specific note disclosures. Based on review of agreements, no agreements met the criteria for recording under GASB Statement No. 96.

We noted no transactions entered into by the City during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates may be particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

- Management’s estimate of the depreciation expense and accumulated depreciation of capital assets, which is based on the useful lives determined by asset type.

CERTIFIED PUBLIC ACCOUNTANTS

Gainesville | Ocala | Tallahassee | Sarasota | Orlando | Tampa

purvisgray.com

Members of American and Florida Institutes of Certified Public Accountants

Honorable Mayor-Commissioner and
Board of Commissioners
City of Cedar Key
Cedar Key, Florida

- Net pension liability represents the City’s proportionate share of the unfunded liability of the Florida Retirement System (FRS) defined benefit pension plan and Health Insurance Subsidy (HIS) plan. These estimates are based on actuarial studies performed by a qualified actuary retained by the Florida Division of Retirement. There are underlying assumptions in the actuarial reports, which if changed, could significantly affect the amounts reported.
- The present value of leases receivable and related deferred inflows of resources is based on the total non-cancellable lease term during which the City, as lessor, expects to receive lease payments from lessees and is discounted using an estimated (imputed) interest rate.

We evaluated the methods, assumptions, and data used to develop these estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. See attached Schedule of Audit Adjustments.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor’s report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated June 28, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the City’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the City’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Honorable Mayor-Commissioner and
Board of Commissioners
City of Cedar Key
Cedar Key, Florida

Future Accounting Pronouncements

The following accounting pronouncements will be applicable in subsequent fiscal years:

- **Governmental Accounting Standards Board (GASB) Statement No. 100, *Accounting Changes and Error Corrections*** – The GASB has issued GASB Statement No. 100, *Accounting Changes and Error Corrections*, which will be effective for the year ending September 30, 2024. The statement enhances accounting and financial reporting requirements for accounting changes and error corrections. The statement defines accounting changes as: (a) changes in accounting principles, (b) changes in accounting estimates, or (c) changes to or within the financial reporting entity, each with its own financial reporting requirements. New principles or methodologies should be preferable to the prior principle or methodology with respect to qualitative characteristics of financial reporting - understandability, reliability, relevance, timeliness, consistency, and comparability. Disclosure requirements include descriptions of accounting changes and error corrections and their quantitative effects on account balances.

- **GASB Statement No. 101, *Compensated Absences*** – GASB Statement No. 101, effective for the fiscal year ending September 30, 2025, prescribes the accounting and financial reporting for estimation and recognition of liabilities associated with compensated absences, enhances and clarifies current definitions of leave for financial reporting purposes, and amends disclosure requirements in notes to financial statements to provide better consistency in financial reporting across entities.

Other Matters

We applied certain limited procedures to management’s discussion and analysis, budgetary comparison information, and pension schedules, which are required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

Restriction on Use

This information is intended solely for the information and use of the Mayor, City Commissioners, and management of the City and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor-Commissioner and
Board of Commissioners
City of Cedar Key
Cedar Key, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of the City of Cedar Key, Florida (the City) as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the City as of September 30, 2023, and the respective changes in financial position, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, and pension schedules, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by

Honorable Mayor-Commissioner and
Board of Commissioners
City of Cedar Key
Cedar Key, Florida

INDEPENDENT AUDITOR'S REPORT

the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 28, 2024, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

June 28, 2024
Gainesville, Florida

MANAGEMENT'S DISCUSSION AND ANALYSIS

MANAGEMENT'S DISCUSSION AND ANALYSIS

The City of Cedar Key, Florida (the City) City Hall's discussion and analysis is designed to: (a) assist the reader in focusing on significant financial issues; (b) provide an overview of the City's financial activity; (c) identify changes in the City's financial position (its ability to address the next and subsequent year challenges); (d) identify any material deviations from the financial plan (the approved budget); and (e) identify individual fund issues or concerns.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with the City's financial statements (beginning on page 11).

HIGHLIGHTS

Financial Highlights

The government-wide assets and deferred outflows of resources of the City exceeded its liabilities and deferred inflows of resources at the close of fiscal year 2023 by \$5,418,591 (net position). Of this amount, \$281,032 is restricted for specific purposes (restricted net position), and \$4,335,860 is net investment in capital assets. The City's total net position increased by \$495,022 during fiscal year 2023.

General Fund revenues for 2023 increased by \$392,553, or 18.1%, when compared to fiscal year 2022. General Fund expenditures increased by \$446,259, or 21.4%, during this same period. The net change in fund balance in the General Fund showed a decrease of \$38,392 for fiscal year 2023 compared to fiscal year 2022.

Long-term liabilities as of September 30, 2023, amounted to \$2,330,346.

City and Cedar Key Community Redevelopment Agency (CKCRA) Highlights

Revenue Note: Through the CKCRA, a \$9,200,000 revenue note was issued through SunTrust Bank (currently Truist Bank) in fiscal year 2008 for projects approved in the CKCRA plan. In fiscal year 2023, the note was transferred to Argosy Credit Partners II, L.P.

The City has seen the following projects started or completed in the 2022-2023 fiscal year:

Community Outreach

- Held annual Hurricane Awareness Prep Day and Hazardous Waste Day.
- Fire Department held annual Fire Prevention class at the local school for grades Pre-K through Second Grade.
- Continued support and funding for summer youth program.

Property Acquisition/Improvements

- Continued leasing Creswell House to the Chamber of Commerce to operate the Cedar Key Welcome Center and Chamber of Commerce office.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Overview of the Financial Statements

The financial statements focus on the City as a whole (government-wide). This will allow the user to address relevant questions, broaden a basis for comparison (year-to-year or government-to-government), and enhance the City's accountability. Comparative analysis at the governmental level is provided this year.

Government-Wide Financial Statements

The Government-wide financial statements (see pages 11 and 12) are designed to be corporate-like in that all governmental activities are consolidated into columns which add up to a total for the Primary Government. The focus on the Statement of Net Position (the "Unrestricted Net Position") is designed to be similar to bottom-line results for the City and its governmental activities. This statement combines and consolidates governmental funds' current financial resources (short-term expendable resources) with capital assets and long-term obligations.

The Statement of Activities (see page 12) is focused on both the gross and net cost of various activities, which are supported by the government's general tax and other revenues. This is intended to summarize and simplify the user's analysis of the cost of various governmental services and/or subsidy to various activities.

The Governmental Activities reflect the City's basic services, including general government, fire, public services, building services, police, garbage, recreation, and CKCRA projects. Property taxes, franchise fees, garbage fees, gas taxes, and sales taxes finance the majority of these services. Additionally, the City has successfully partnered with a number of local, state, and federal partners to leverage City and CKCRA funds to accomplish a number of community needs.

Fund Financial Statements

Traditional users of government financial statements will find the Fund Financial Statement presentations more familiar. The focus is now on major funds, rather than (the previous model's) fund types.

The Government's Major Funds (see pages 13 through 16) presentation is presented on a sources and uses of liquid resources basis. This is the manner in which the financial plan (the budget) is typically developed. The flow and availability of liquid resources is a clear and appropriate focus of any analysis of a government. Funds are established for various purposes and the Fund Financial Statements allow the demonstration of sources and uses and/or budgeting compliance associated therewith.

Infrastructure Assets

Historically, a government's largest group of assets (infrastructure - buildings, roads, curbs, and sidewalks) have not been reported nor depreciated in government financial statements. The Statement of Net Position reports these infrastructure assets.

MANAGEMENT'S DISCUSSION AND ANALYSIS

GOVERNMENT-WIDE STATEMENTS

Statement of Net Position

The following table reflects the condensed Statement of Net Position:

Statement of Net Position September 30, 2023

Governmental Activities

	Fiscal Year <u>2023</u>	Fiscal Year <u>2022</u>
Assets		
Current and Other Assets	\$ 2,093,499	\$ 1,761,605
Capital Assets	<u>6,805,860</u>	<u>7,084,746</u>
Total Assets	<u>8,899,359</u>	<u>8,846,351</u>
Deferred Outflows of Resources		
Pension Related	<u>139,273</u>	<u>85,340</u>
Liabilities		
Current Liabilities	1,203,575	1,095,818
Non-Current Liabilities	<u>2,330,346</u>	<u>2,779,875</u>
Total Liabilities	<u>3,533,921</u>	<u>3,875,693</u>
Deferred Inflows of Resources		
Advance Collections	8,844	18,461
Leases	34,921	47,619
Pension Related	<u>42,355</u>	<u>66,349</u>
Total Deferred Inflows of Resources	<u>86,120</u>	<u>132,429</u>
Net Position		
Net Investment in Capital Assets	4,335,860	4,035,782
Restricted	281,032	80,692
Unrestricted	<u>801,699</u>	<u>807,095</u>
Total Net Position	<u>\$ 5,418,591</u>	<u>\$ 4,923,569</u>

The majority of the City's net position is reflected as net investment in capital assets (e.g., land, buildings, infrastructure, and equipment). The City uses these capital assets to provide services to the citizens; consequently, these assets are not available for future spending.

The Unrestricted Net Position balance is intended to be a corporate-style measurement of well-being (or a measure of available resources) for the City and its related government activities. At September 30, 2023, the unrestricted net position had a balance of \$801,699.

Current Year Impacts

The following schedule presents the revenues and expenses for the current year:

MANAGEMENT'S DISCUSSION AND ANALYSIS

Statement of Activities Year Ended September 30, 2023

Description	Total Government Activities	
	Fiscal Year 2023	Fiscal Year 2022
		2023
Revenues		
Charges for Services	\$ 674,423	\$ 611,163
Operating Grants and Contributions	536,735	121,379
Capital Grants and Contributions	66,000	240,100
Property Taxes	1,777,820	1,556,405
Franchise Fees	59,548	52,039
Utility Tax	115,926	110,541
Local Option Fuel Tax	9,645	9,037
State Shared Revenues	187,721	195,858
Interest	2,366	2,175
Miscellaneous	50,825	54,245
Total Revenues	3,481,009	2,952,942
Expenses		
General Government	685,422	553,905
Public Safety	905,175	660,441
Physical Environment	736,479	328,030
Transportation	207,717	172,691
Economic Environment	16,106	18,438
Culture and Recreation	323,922	295,165
Interest	111,166	131,199
Total Expenses	2,985,987	2,159,869
Change in Net Position	495,022	793,073
Net Position, Beginning of Year	4,923,569	4,130,496
Net Position, End of Year	\$ 5,418,591	\$ 4,923,569

Governmental activities increased the City's net position by \$495,022.

Normal Impacts

There are eight basic (normal) impacts on revenues and expenses as reflected below:

Revenues

Economic Condition—which can reflect a declining, stable, or growing economic environment and has a substantial impact on property, sales, gas, and other tax revenue, as well as public spending habits for permits, elective user fees, and volumes of consumption.

Increase/Decrease in Commission Approved Rates—while certain tax rates are set by statutes, the City Commission has significant authority to impose and periodically increase/decrease rates.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Changing Patterns in Intergovernmental and Grant Revenue (both recurring and non-recurring)—certain recurring revenues (state revenue sharing, block grants, etc.) may experience significant changes periodically while non-recurring (or one-time) grants are less predictable and often distorting in their impact on year-to-year comparisons.

Market Impacts on Investment Income—due to varying maturities on the City's investments and the varying nature of the market in general, City investment income may fluctuate from year to year.

Expenses

Introduction of New Programs—within the functional expense categories (General Government, Public Safety – General Government, Public Safety, Physical Environment, Roads and Streets, Comprehensive Planning and Codes Enforcement, and Culture and Recreation) individual programs may be added or deleted to meet changing community needs.

Increase/Decrease in Authorized Personnel—changes in service demand may cause the City Commission to increase/decrease authorized staffing. Staffing costs (salary and related benefits) represent a significant portion of General Fund expenditures.

Salary Increases (cost-of-living, merit, and market adjustment)—the ability to attract and retain human and intellectual resources requires the City to strive to approach a competitive salary range position in the marketplace.

Inflation—while overall inflation appears to be reasonably modest, the City is a consumer of certain commodities, such as chemicals and supplies, fuel, and parts. Some functions may experience unusual commodity specific increases (for example, fuel prices).

GOVERNMENTAL FUNDS

Revenues

The City's property tax revenues increased by \$86,384 during fiscal year 2023. The City maintained a millage rate of 4.744 mills for fiscal year 2023. The CRA property tax revenues increased by \$135,031 during fiscal year 2023.

Several revenue sources of the General Fund increased from the prior year, with an overall increase of 18.1%. The most significant increase resulted from grant revenues in the current year.

Expenditures

General Fund expenditures increased by \$446,259, or 21.4%.

As of year-end, the Governmental Funds (as presented on the balance sheet) reported a fund balance of \$1,508,518, which is a 13.6% increase over the previous year of \$1,327,524.

MANAGEMENT'S DISCUSSION AND ANALYSIS

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

As of year-end, the City had \$6,805,860 invested in a variety of capital assets, as reflected in the following schedule:

Capital Assets

Description	Total Governmental Activities	
	Fiscal Year 2023	Fiscal Year 2022
	Land	\$ 2,942,822
Buildings and Improvements	1,819,261	1,803,261
Machinery and Equipment	1,947,311	1,860,629
Infrastructure	6,115,727	6,115,727
Accumulated Depreciation	(6,019,261)	(5,637,693)
Capital Assets Net of Depreciation	\$ 6,805,860	\$ 7,084,746

The following reconciliation summarizes the change in capital assets, which is presented in detail beginning on page 23 of the notes:

Change in Capital Assets

Description	Total Governmental Activities	
	Fiscal Year 2023	Fiscal Year 2022
	Beginning Balance	\$ 7,084,746
Additions	102,682	412,570
Deletions	-	-
Depreciation Expense	(381,568)	(368,396)
Ending Balance	\$ 6,805,860	\$ 7,084,746

Further information regarding capital projects and their various sources of funding can be found in the notes to the financial statements.

Debt Outstanding

There was outstanding debt in the amount of \$2,470,000 for the Redevelopment Revenue Note as of September 30, 2023.

ECONOMIC FACTORS

The State of Florida, by constitution, does not have a state personal income tax and, therefore, the state operates primarily using sales, gasoline, and corporate income taxes. Local governments (cities, counties, and school boards) primarily rely on property and a limited array of permitted other taxes (sales, gasoline, etc.) and fees (franchise, occupational licenses, etc.) for their government activities. There are a limited number of state-shared revenues and recurring and non-recurring (one-time) grants from both the state and the federal governments.

MANAGEMENT'S DISCUSSION AND ANALYSIS

For certain governmental activities (permitting, garbage, marina, etc.) the user (of services) pays a related fee (or charge) associated therewith.

FINANCIAL CONTACT

The City's financial statements are designed to present users (citizens, taxpayers, customers, and creditors) with a general overview of the City's finances and to demonstrate the City's accountability. If you have any questions about the report or need additional information, contact City Hall, City of Cedar Key, P.O. Box 339, Cedar Key, Florida 32625, telephone: (352) 543-5132.

**RECONCILIATION OF THE STATEMENT OF REVENUES,
EXPENDITURES, AND CHANGES IN FUND BALANCES OF
GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2023
CITY OF CEDAR KEY, FLORIDA**

Net Change in Fund Balances - Total Governmental Funds \$ 180,994

**Amounts Reported for Governmental Activities in the Statement of
Activities are Different Because:**

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital purchases, less net book value of disposals, exceeds depreciation expense:

Capital Purchases	102,682	
Depreciation Expense	<u>(381,568)</u>	(278,886)

The changes in the net pension liability and pension related deferred outflows and inflows of resources result in an adjustment to pension expense in the statement of activities, but not in the governmental funds. (48,366)

Repayment of long-term debt is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds:

Principal Repayments	578,964	
Compensated Absences	(16,864)	
Interest Payable	<u>79,180</u>	<u>641,280</u>

Change in Net Position of Governmental Activities \$ 495,022

The accompanying notes are an integral part of the financial statements.

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

Note 1 - Summary of Significant Accounting Policies

The accounting policies of the City of Cedar Key, Florida (the City) conform to generally accepted accounting principles for governmental entities. The following is a summary of significant accounting policies.

Reporting Entity

The City is a Florida municipal corporation governed by an elected five-member City Commission. The City provides services to its citizens including refuse collection, parks and recreation, streets, public safety, and other general governmental activities.

The accompanying financial statements present the financial position and results of operations of the applicable fund types governed by the City Commission of the City in accordance with governmental accounting standards. The reporting entity for the City (the primary government) contained one separate legal entity (component unit) for which the City Commission has financial accountability. Financial accountability is present if the City Commission appoints a voting majority of a component unit's governing body and has the ability to impose its will on that organization or if there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the City. The City established the Cedar Key Community Redevelopment Agency (CKCRA) on December 19, 1999; it is a dependent special district and is reported as a blended component unit of the City. The City Commission designated itself as the CKCRA and has committed itself to the implementation of the Cedar Key Redevelopment Plan. The CKCRA is presented as a special revenue fund. Separately issued financial statements for the CKCRA can be obtained by contacting City Hall at (352) 543-5132.

Government-Wide and Fund Financial Statements

The basic financial statements of the City are composed of the following:

- Government-Wide Financial Statements
- Fund Financial Statements
- Notes to Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all non-fiduciary activities. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely on fees charged to external parties. The City has no business-type activities.

The statement of activities shows the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly related to a specific function or segment. *Program revenues* include: a) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment; and b) grants and contributions that are restricted to meeting specific requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported as *general revenues*.

Separate financial statements are provided for the governmental funds. Major individual governmental funds are reported as separate columns in the fund financial statements. The governmental fund financial statements include reconciliations with brief explanations to better identify the relationship between the government-wide statements and the statements for the governmental funds.

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

The City reports the following major governmental funds:

- **General Fund**—the primary operating fund, used to account for and report all activities except those accounted for and reported in another fund.
- **CKCRA Fund**—to account for activities of the City’s Community Redevelopment Agency. The primary source of revenues is ad valorem tax incremental funds, which are restricted for expenditures benefiting the redevelopment district.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

Government-Wide Financial Statements

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Under the accrual basis of accounting, revenues, expenses, gains, losses, assets, and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place. Revenues, expenses, gains, losses, assets, and liabilities resulting from non-exchange transactions are recognized in accordance with the requirements of the Governmental Accounting Standards Board (GASB). Program revenues include charges for services and payments made by parties outside of the reporting government’s citizenry if that money is restricted to a particular program. Program revenues are netted with program expenses in the statement of activities to present the net cost of each program. Indirect expenses, such as interest and depreciation, are allocated to specific programs when it is clearly applicable to specific program(s). The effect of interfund activity has been eliminated from these statements.

Amounts paid to acquire capital assets are capitalized as assets in the government-wide financial statements, rather than reported as expenditures. Proceeds of long-term debt are recorded as liabilities in the government-wide financial statements, rather than as another financing source. Amounts paid to reduce long-term indebtedness of the reporting government are reported as a reduction of related liability, rather than as an expenditure.

Fund Financial Statements

Governmental fund financial statements are reported using *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within sixty days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. Licenses, sales taxes, gas taxes, operating, and capital grants associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable only when cash is received by the City.

Under the current financial resources measurement focus, only current assets and current liabilities are included on the balance sheet. The reported fund balance is considered to be a measure of “available spendable resources”. Governmental funds operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of “available spendable resources” during a period.

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

Because of their spending measurement focus, expenditure recognition for governmental fund types excludes amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities.

Amounts expended to acquire capital assets are recorded as expenditures in the year that resources were expended, rather than as fund assets. The proceeds of long-term debt are recorded as another financing source rather than as a fund liability. However, debt service expenditures, as well as expenditures related to compensated absences, are recorded only when payment is due.

Budget and actual data, when presented in the statements of revenue, expenditures, and changes in fund balance, is prepared on essentially the same basis of accounting as described for the fund financial statements.

Fund Balance

Fund balance is reported in five components: non-spendable, restricted, committed, assigned, and unassigned:

- **Non-Spendable**—This component of fund balance consists of amounts that cannot be spent because: a) they are not expected to be converted to cash; or b) they are legally or contractually required to remain intact. Examples of this classification are prepaid items, inventories, and principal (corpus) of an endowment fund.
- **Restricted**—This component of fund balance consists of amounts that are constrained either: a) externally by third parties (creditors, grantors, contributors, laws, or regulations of other governments); or b) by law through constitutional provisions or enabling legislation.
- **Committed**—This component of fund balance consists of amounts that can only be used for specific purposes pursuant to constraints imposed by formal action, using the highest level of decision-making authority (ordinance) of the City’s governing authority (the City Council). These committed amounts cannot be used for any other purpose unless the City Council removes or changes the specified use by taking the same type of action employed to constrain those amounts.
- **Assigned**—This component of fund balance consists of amounts that are constrained by a less-than-formal action of the City Council, or by an individual or body to whom the City Council has delegated this responsibility. In addition, residual balances in capital projects and debt service funds are considered assigned for the general purpose of the respective fund.
- **Unassigned**—This classification is used for: a) deficit unrestricted fund balances in any governmental fund; or b) fund balances within the general fund that are not restricted, committed, or assigned.

Use of Restricted and Unrestricted Assets

When both restricted and unrestricted resources are available for use, it is generally the practice of the City to use restricted resources first, then unrestricted resources as they are needed. When unrestricted resources (committed, assigned, and unassigned) are available for use in any governmental fund, it is the City’s practice to use committed resources first, then assigned, and then unassigned as needed.

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

Capital Assets

Capital assets, which include property, plant and equipment, and infrastructure assets (e.g., roads, sidewalks, storm water drainage, and similar items), are reported in the government-wide financial statements. Capital assets include items of a non-consumable nature with a value of at least \$1,000 and a life of one year or more. Donated capital assets are recorded at acquisition value at the time of donation. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend its useful life are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Property, plant and equipment are depreciated using the straight-line method over the following estimated useful lives:

Assets	Years
Buildings and Improvements	20-50
Machinery and Equipment	5-10
Infrastructure	50

As required by GASB, the City has added infrastructure assets that were constructed after October 1, 2003. The City has not reported infrastructure assets that were constructed prior to October 1, 2003.

Deferred Inflows and Outflows of Resources

Deferred inflows of resources represent the acquisition of net position that is applicable to a future reporting period and will not be recognized as an inflow of resources (revenue) until that future time. Deferred outflow of resources represent the consumption of net position that is applicable to a future reporting period and will not be recognized as an outflow of resources (expense) until that future time.

Advance Collections—Amounts received in advance for which time requirements are not met for revenue recognition are reported as a deferred inflow at both the fund level and the government-wide level.

Pension Related—The difference between expected and actual experience with regard to economic or demographic factors and changes to assumptions in the measurement of total pension liability, and the difference between expected and actual earnings on pension plan investments, are reported as deferred inflows or outflows of resources, to be recognized in expense as disclosed in Note 7. Contributions made subsequent to the measurement date, but prior to the reporting date, are reported as deferred outflows of resources.

Receivables

Customer accounts receivable are recorded at their net realizable value, which includes an allowance for uncollectible accounts.

Compensated Absences

The City accrues accumulated unpaid vacation when incurred. The liability is reported on the statement of net position.

Leases

At commencement of a lease when the City is the lessor, the City measures the lease receivable as the present value of expected rental receipts over the lease term. The deferred inflow of resources is measured as the initial amount of the lease receivable, adjusted for prepayments received prior to lease commencement.

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

At commencement of a lease when the City is the lessee, the City initially measures the lease liability at the present value of total payments over the lease term. The lease asset is measured as the value of the lease liability, adjusted for prepayments, plus certain initial direct costs.

Estimates and judgments are sometimes made when determining the discount rate and overall term for leases. The City monitors its leases for significant changes in circumstances that warrant a remeasurement of the lease liability and associated intangible asset, and/or lease receivable, and associated deferred inflows of resources.

Note 2 - Stewardship, Compliance, and Accountability

Budgeting

The City's procedures in preparing and adopting the annual budget are as follows:

- The City Clerk is responsible for preparing a proposed operating budget for the upcoming year prior to September 30 that includes estimated revenues, proposed expenditures, and other financing sources and uses.
- Public hearings are held to obtain taxpayer comments and suggestions. The budget is enacted through passage of a resolution.
- Budgets are adopted on a basis consistent with generally accepted accounting principles. Appropriations lapse at the end of the year. Encumbrances are not recorded. Budgets are amended through the passage of a resolution. The original budget and final budget are presented in the statements of revenues, expenditures, and changes in fund balance - budget and actual. Budget appropriations may not be legally exceeded on a total fund basis.

Property Taxes

Under Florida law, the assessment of all properties and the collection of all county, municipal, and school board property taxes are consolidated in the offices of the County Property Appraiser and County Tax Collector. The laws of the state regulating tax assessment are also designed to assure a consistent property valuation method state-wide. Florida Statutes permit cities to levy property taxes at a rate of up to 10 mills for general operations. The tax levy rate for the tax year ended September 30, 2023, was 4.7440 mills.

The tax levy of the City is established by the City Commission prior to October 1 of each year. The County Property Appraiser incorporates the City millages into the total tax levy which includes Levy County (the County), various other municipalities, and County School Board tax requirements.

All property is reassessed according to its fair market value on January 1 of each year. Each assessment roll is submitted to the Executive Director of the Florida Department of Revenue for review to determine if the rolls meet all of the appropriate requirements of Florida Statutes.

All taxes are levied on November 1 of each year, or as soon thereafter as the assessment roll is certified and delivered to the County Tax Collector. All unpaid taxes become delinquent on April 1 following the year in which they are assessed. Discounts are allowed for early payment at the rate of 4% in the month of November, 3% in the month of December, 2% in the month of January, and 1% in the month of February. The taxes paid in March are without discount.

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

On or prior to June 1 following the tax year, tax certificates are sold for all delinquent taxes on real property.

After sale, tax certificates bear interest of 18% per year or at any lower rate bid by the buyer. Application for a tax deed on any unredeemed tax certificates may be made by the certificate holder after a period of two years. Unsold tax certificates are estimated to be immaterial.

Delinquent taxes on personal property bear interest of 18% per year until the tax is satisfied either by seizure and sale of the property or by the five-year statute of limitations.

The City does not accrue its portion of the County-held tax sale certificates or personal property tax warrants because such amounts are estimated to be immaterial.

Note 3 - Cash

Chapter 280 of the Florida Statutes (the Act) requires, in general, that all public deposits (including those of the City) be made in qualified public depositories within the State of Florida. Under the Act, all qualified public depositories are required to pledge eligible collateral having a market value equal to or greater than the average daily or monthly balance of all public deposits, times the depository's collateral pledged level. The pledging level may range from 25% to 125% depending upon the depository's financial condition and establishment period. All collateral must be deposited with an approved financial institution. In the event of default by a qualified public depository, all claims for public deposits would be satisfied by the State Treasurer from the proceeds of federal deposit insurance, pledged collateral of the public depository in default and, if necessary, a pro rata assessment to the other qualified public depositories in the collateral pool. Therefore, all cash deposits held by the bank are fully insured and collateralized.

Cash deposits include cash deposited with qualified depositories.

The City has not adopted an investment policy and so, by statute, follows the state's guidance set forth in Section 219.075, Florida Statutes, regarding the deposit of funds received and the investment of surplus funds. That section requires local governments without written investment policies to follow the state policy in Section 218.415(17), Florida Statutes. That section authorizes the following investments:

- The Local Government Surplus Funds Trust Fund or any intergovernmental investment pool authorized pursuant to the *Florida Interlocal Cooperation Act*, as provided in Florida Statute 163.01.
- Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency.
- Interest-bearing time deposits or savings accounts in qualified public depositories.
- Direct obligations of the United States Treasury.

The City does not have policies that address credit risk, custodial credit risk, or interest rate risk. The City had no investments at year-end or during the year.

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

Note 4 - Capital Assets

Capital asset activity for the year is as follows:

	Beginning Balance 10/1/2022	Increases	(Decreases)	Ending Balance 9/30/2023
Capital Assets Not Being Depreciated:				
Land	\$ 2,942,822	\$ -	\$ -	\$ 2,942,822

Total Before Depreciation	<u>12,722,439</u>	<u>102,682</u>	<u>-</u>	<u>12,825,121</u>
Less Accumulated Depreciation for:				
Buildings	(909,313)	(47,260)	-	(956,573)
Machinery and Equipment	(1,288,856)	(78,797)	-	(1,367,653)
Infrastructure	(3,439,524)	(255,511)	-	(3,695,035)
Total Accumulated Depreciation	<u>(5,637,693)</u>	<u>(381,568)</u>	<u>-</u>	<u>(6,019,261)</u>
Total Being Depreciated, Net	<u>4,141,924</u>	<u>(278,886)</u>	<u>-</u>	<u>3,863,038</u>
Fixed Assets, Cost Less Depreciation	<u><u>\$ 7,084,746</u></u>	<u><u>\$ (278,886)</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 6,805,860</u></u>

Depreciation expense was charged to functions as follows:

General Government	\$ 17,378
Public Safety	52,740
Transportation	143,624
Economic Environment	16,106
Culture/Recreation	<u>151,720</u>
Total Depreciation Expense	<u><u>\$ 381,568</u></u>

Note 5 - Long-Term Debt

The CKCRA authorized the issuance of a \$9,200,000 Redevelopment Revenue Note, Series 2007, dated December 20, 2007. The proceeds from the note were used to pay off existing outstanding loans of approximately \$2,315,420 and pay issuance costs of \$55,000. The balance of funds was used for various capital projects and to pay debt service.

Payment of principal and interest at 3.95% is due semiannually on April 15 and October 15, through April 15, 2027.

The CKCRA Redevelopment Revenue Note is secured solely by the Tax Increment Revenues derived from the Redevelopment Area established under Ordinance No. 338, enacted by the City on October 10, 2000, as provided by Section 163.387, Florida Statutes. Neither the City nor the CKCRA shall ever be required to levy ad valorem taxes to pay the principal or interest on the Redevelopment Revenue Note. The holder of the Redevelopment Revenue Note shall not be entitled to payment of the note from any funds of the CKCRA except from Tax Increment Revenues described above.

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

Interest expense recorded during 2023 on long-term debt totaled \$111,166, none of which was capitalized.

Principal and interest amounts due through maturity on long-term debt, excluding compensated absences, are as follows:

<u>Year Ending September 30,</u>	<u>Principal Amount</u>	<u>Interest Amount</u>
2024	\$ 580,000	\$ 97,565
2025	605,000	74,655
2026	630,000	50,758
2027	655,000	25,872
Total	<u>\$ 2,470,000</u>	<u>\$ 248,850</u>

The following tabulation summarizes the changes in the long-term debt during the year ended September 30, 2023:

	<u>Beginning Balance</u>	<u>Increases</u>	<u>(Decreases)</u>	<u>Ending Balance</u>	<u>Due Within One Year</u>
Compensated Absences	\$ 30,751	\$ 28,931	\$ (12,067)	\$ 47,615	\$ 33,578
\$9.2 Million Redevelopment Revenue Note, Direct Borrowing	3,048,964	-	(578,964)	2,470,000	580,000
Net Pension Liability	300,016	126,293	-	426,309	-
Total	<u>\$ 3,379,731</u>	<u>\$ 155,224</u>	<u>\$ (591,031)</u>	<u>\$ 2,943,924</u>	<u>\$ 613,578</u>

Events of Default—The following shall constitute an event of default in accordance with the City’s Resolution No. 285 (the Resolution):

- CKCRA’s failure to pay any payment of principal and interest on any note as the same becomes due and payable;
- Default in the performance or observance of any covenant or agreement contained in the Resolution and failure to cure the same within thirty (30) days;
- Filing of a petition by or against the CKCRA relating to bankruptcy, reorganization, arrangement, or readjustment of debt of the CKCRA or for any other relief relating to the CKCRA under the United States Bankruptcy Code, as amended, or any other insolvency act or law now or hereafter existing, or the involuntary appointment of a receiver or trustee for the CKCRA, and the continuance of any such event for 90 days undismissed or undischarged.

Upon the occurrence and during the continuation of any event of default, the owner of the note may declare the entire debt then remaining unpaid immediately due and payable, and in any such default and acceleration, the CKCRA shall also be obligated to pay as part of the indebtedness evidenced by the note, all costs of collection and enforcement hereof, including such reasonable attorney’s fees as may be incurred, including on appeal or incurred in any proceeding under bankruptcy laws as they now or hereafter exist.

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

Note 6 - Pledged Revenue

The City has pledged the Tax Increment Revenues, established under Ordinance No. 338, enacted on October 10, 2000, to repay the \$9,200,000 Redevelopment Revenue Note, Series 2007. The remaining principal and interest payments on the note at September 30, 2023 totaled \$2,718,850. Principal and interest paid for the current year was \$769,310. Tax Increment Revenues totaled \$920,099 for the year, of which 84% was used for debt service.

Note 7 - Pension Plans

Defined Contribution Pension Plan

During the year ended September 30, 1993, the City established a defined contribution plan to provide pension benefits for its employees who were not police officers. The plan is the Northwestern Mutual Life Insurance Company Prototype Defined Contribution Plan and Trust, administered by the Florida Municipal Pension Trust Fund (Florida League of Cities, Inc.). Effective October 1, 2001, the City adopted the Florida Municipal Pension Trust Fund's Section 401(a) Deferred Contribution Plan to replace the Northwestern Mutual Life Insurance Company Prototype Deferred Contribution Plan and Trust. This plan is also administered by the Florida Municipal Pension Trust Fund. The plan provisions are the same, except that the minimum age requirement was removed. The plan provides retirement benefits to substantially all City employees. All benefits vest after ten years of credited service. To be eligible for the plan, employees must have completed one year of service. Contributions to the plan are discretionary but are currently funded by the City at 10% of each eligible employee's compensation (excluding overtime pay). For the year ended September 30, 2023, the amount of pension expense was \$27,377. The City Commission has the authority to establish and amend the provisions of the plan. Additional information regarding the plan may be obtained at City Street, 2 Tower Center, East Brunswick, New Jersey 08816, Attention: Account Management Team at 23rd Floor.

Deferred Compensation 457 Plan

Effective October 1, 2001, the City adopted the Florida Municipal Pension Trust Fund's Deferred Compensation Plan under Internal Revenue Code Section 457(b). The plan allows substantially all City employees to make pretax contributions to the plan, in accordance with the plan. The City does not make contributions to this plan.

Defined Benefit Pension Plans

The City participates in two defined benefit pension plans that are administered by the State of Florida, Department of Management Services, Division of Retirement. The plans provide retirement, disability, or death benefits to retirees or their designated beneficiaries. Chapter 121, Florida Statutes, establishes the authority for benefit provisions. Changes to the law can only occur through an act of the Florida Legislature. The State of Florida issues a publicly available financial report that includes financial statements and required supplementary information for the plans. That report is available from the Florida Department of Management Services' website (www.dms.myflorida.com).

The Florida Retirement System (FRS) Pension Plan is a cost-sharing, multiple-employer qualified defined benefit pension plan with a Deferred Retirement Option Program (DROP) available for eligible employees. The FRS was established and is administered in accordance with Chapter 121, Florida Statutes. The Florida Legislature establishes and amends the contribution requirements and benefit terms of the FRS Pension

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

Plan. Retirees receive a lifetime pension benefit with joint and survivor payment options. FRS membership is compulsory for employees filling regularly established positions in a state agency, county agency, state university, state community college, or district school board, unless restricted from FRS membership under Sections 121.053 or 121.122, Florida Statutes, or allowed to participate in a non-integrated defined contribution plan in lieu of FRS membership. Participation by cities, municipalities, special districts, charter schools, and metropolitan planning organizations is optional.

The Retiree Health Insurance Subsidy (HIS) Program is a non-qualified, cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with Section 112.363, Florida Statutes. The Florida Legislature establishes and amends the contribution requirements and benefit terms of the HIS Plan. The benefit is a monthly payment to assist eligible retirees and surviving beneficiaries of the state-administered retirement systems in paying their health insurance costs. Per Chapter 2023-193, Laws of Florida, the level of monthly benefits increased from \$5 times years of service to \$7.50, with an increased minimum of \$45 and maximum of \$225. This change applies to all years of service for both members currently in pay and members not yet in pay. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which may include Medicare.

Effective January 1, 2009, the City Commission adopted Resolution No. 302, which provided that all police officers of the City shall become compulsory members of the FRS. Essentially, membership in the state-administered FRS and HIS plans is limited to eligible full-time police officers of the City.

Benefits Provided

Benefits under the FRS Pension Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings.

The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement plan and/or class to which the member belonged when the service credit was earned.

Eligible retirees and beneficiaries receive a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to Section 112.363, Florida Statutes.

The contribution requirements of plan members and the employer are established and may be amended by the Florida Legislature. Employees are required to contribute 3.00% of their salary to the FRS Pension Plan. The employer's contribution rates as of September 30, 2023, were as follows:

	<u>FRS</u>	<u>HIS</u>
Regular Class	11.57%	2.00%
Special Risk Class	30.67%	2.00%
Senior Management Service Class	32.54%	2.00%
DROP from FRS	19.13%	2.00%

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

The City's contributions for the year ended September 30, 2023, were \$41,221 to the FRS Pension Plan and \$3,523 to the HIS Plan.

Pension Liabilities and Pension Expense

In its financial statements for the year ended September 30, 2023, the City reported a liability for its proportionate share of the net pension liability of the FRS Pension Plan and its proportionate share of the net pension liability of the HIS Plan. The net pension liabilities were measured as of June 30, 2023. The City's proportions of the net pension liabilities were based on its share of contributions to the pension plans relative to the contributions of all participating entities, actuarially determined.

	<u>FRS</u>	<u>HIS</u>	<u>Investment Plan</u>
Net Pension Liability	\$ 340,825	\$ 85,484	N/A
Proportion at:			
Current Measurement Date	0.000855324%	0.000538267%	N/A
Prior Measurement Date	0.000675690%	0.000458844%	N/A
Pension Expense	\$ 62,608	\$ 30,500	\$ 27,629

Deferred Outflows/Inflows of Resources Related to Pensions

At September 30, 2023, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

<u>Description</u>	<u>FRS</u>		<u>HIS</u>	
	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Employer Contributions After Measurement Date	\$ 9,884	\$ -	\$ 859	\$ -
Difference Between Expected and Actual Experience	32,000	-	1,251	201
Change of Assumptions	22,217	-	2,247	7,407
Changes of Proportion and Difference Between City Contributions and Proportionate Share of Contributions	45,605	24,027	10,931	10,720
Net Difference Between Projected and Actual Earnings on Pension Investments	14,235	-	44	-
Total	<u>\$ 123,941</u>	<u>\$ 24,027</u>	<u>\$ 15,332</u>	<u>\$ 18,328</u>

Deferred outflows of resources related to employer contributions paid subsequent to the measurement date and prior to the employer's fiscal year-end will be recognized as a reduction of the net pension liability in the reporting period ending September 30, 2024. Other pension-related amounts reported as deferred outflows of resources and deferred inflows of resources will be recognized in pension expense as follows:

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

<u>Fiscal Year Ending</u>	<u>FRS Amount</u>	<u>HIS Amount</u>
2024	\$ 7,601	\$ (1,992)
2025	1,599	(979)
2026	62,395	(65)
2027	14,023	(1,253)
2028	4,412	65
Thereafter	-	369
Total	<u>\$ 90,030</u>	<u>\$ (3,855)</u>

Actuarial Assumptions

The total pension liability for each of the defined benefit plans was measured as of June 30, 2023, and determined by actuarial valuations dated July 1, 2023 for FRS and July 1, 2022 for HIS.

The individual entry age normal actuarial cost method was used for each plan, along with the following significant actuarial assumptions:

	<u>FRS</u>	<u>HIS</u>
Inflation	2.40%	2.40%
Salary Increases	3.25%	3.25%
Long-Term Expected Rate of Return	6.70%	N/A
Discount Rate	6.70%	3.65%

Mortality assumptions for the FRS Pension Plan and HIS Plan were based on the PUB-2010 base table varying by member category and sex, projected generationally with Scale MP-2018.

For both plans, the actuarial assumptions were based on the results of an actuarial experience study for the period July 1, 2013 through June 30, 2018.

The long-term expected rate of return on pension plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption. The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation (1)</u>	<u>Annual Arithmetic Return</u>	<u>Compound Annual (Geometric) Return</u>	<u>Standard Deviation</u>
Cash	1.0%	2.9%	2.9%	1.1%
Fixed Income	19.8%	4.5%	4.4%	3.4%
Global Equity	54.0%	8.7%	7.1%	18.1%
Real Estate (Property)	10.3%	7.6%	6.6%	14.8%
Private Equity	11.1%	11.9%	8.8%	26.3%
Strategic Investments	3.8%	6.3%	6.1%	7.7%
Assumed Inflation – Mean			2.4%	1.4%

Note: (1) As Outlined in the FRS Pension Plan's investment policy available from Funds We Manage on the SBA's website at www.sbafla.com.

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

Discount Rate. The discount rate used to measure the total pension liability for the FRS Pension Plan was 6.70%. The Plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

The discount rate used to measure the total pension liability for the HIS Pension Plan was 3.65%. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

The following changes in actuarial assumptions occurred in 2023:

- FRS – There were no changes in the key actuarial assumptions in 2023.
- HIS – The municipal bond index rate and the discount rate used to determine the total pension liability was increased from 3.54% to 3.65%.

Sensitivity of the City’s Proportionate Share of the Net Pension Liability to Changes in the Discount Rate.

The following tables demonstrate the sensitivity of the net pension liability to changes in the discount rate. The sensitivity analysis shows the impact to the employer’s proportionate share of the net pension liability if the discount rate was 1.00% higher or 1.00% lower than the current discount rate.

<i>FRS</i>	1% Decrease (5.70%)	Current Discount Rate (6.70%)	1% Increase (7.70%)
City’s Proportionate Share of the Net Pension Liability	\$ 582,188	\$ 340,825	\$ 138,885
<i>HIS</i>	1% Decrease (2.65%)	Current Discount Rate (3.65%)	1% Increase (4.65%)
City’s Proportionate Share of the Net Pension Liability	\$ 97,524	\$ 85,484	\$ 75,504

Pension Plan Fiduciary Net Position. Detailed information about the Plan’s fiduciary net position is available in the separately issued FRS Pension Plan and Other State Administered Systems Annual Comprehensive Financial Report.

**NOTES TO FINANCIAL STATEMENTS
CITY OF CEDAR KEY, FLORIDA**

Defined Contribution Pension Plan - FRS

Pursuant to Chapter 121, Florida Statutes, the Florida Legislature created the Florida Retirement System Investment Plan (FRS Investment Plan), a defined contribution pension plan qualified under Section 401(a) of the Internal Revenue Code. The FRS Investment Plan is an alternative available to members of the FRS in lieu of the defined benefit plan. There is a uniform contribution rate covering both the defined benefit and defined contribution plans, depending on membership class. Required employer contributions made to the plan during the year ended September 30, 2023, totaled \$68,638.

Note 8 - Lease Receivables

The City is the lessor in a contract with outside parties for the right to use land for communication towers. The remaining lease term as of the implementation date of October 1, 2021, was 57 months. The aggregate annual payment of \$13,754 as of September 30, 2023, is discounted using an estimated incremental borrowing rate of 4.00%. The City has \$36,744 in outstanding lease receivable at September 30, 2023. During the fiscal year, the City recognized \$12,698 in lease revenue and \$1,733 in lease interest.

Note 9 - Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters, for which the City carries commercial insurance. Insurance against losses are provided through the Florida League of Cities, Inc. for the following types of risk:

- Workers' Compensation and Employer's Liability
- General and Automobile Liability
- Real and Personal Property Damage
- Public Officials' Liability
- Accidental Death and Dismemberment

The City's coverage for workers' compensation is under a retrospectively rated policy. Premiums are accrued based on the ultimate cost to-date of the City's experience for this type of risk. There was no significant reduction in insurance coverage in the current year and the amount of settlements did not exceed coverage for the past three years.

OTHER INFORMATION

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Honorable Mayor-Commissioner and
Board of Commissioners
City of Cedar Key
Cedar Key, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of the City of Cedar Key, Florida (the City) as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated June 28, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Cedar Key, Florida

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT ACCOUNTANT’S REPORT ON COMPLIANCE
WITH FLORIDA STATUTE SECTION 218.415 - INVESTMENTS OF PUBLIC FUNDS**

Honorable Mayor-Commissioner and
Board of Commissioners
City of Cedar Key
Cedar Key, Florida

We have examined the City of Cedar Key, Florida’s (the City) compliance with Section 218.415, Florida Statutes, during the fiscal year ended September 30, 2023. City management is responsible for the City’s compliance with those requirements. Our responsibility is to express an opinion on the City’s compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the City complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the City complied with the specified requirements. The nature, timing, and extent of procedures selected depend on our judgement, including an assessment of the risks of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the City’s compliance with specified requirements.

In our opinion, the City complied, in all material respects, with the aforementioned requirements during the fiscal year ended September 30, 2023.

This report is intended solely for the information and use of the Florida Auditor General, the Mayor, City Commission members, and applicable management, and is not intended to be, and should not be, used by anyone other than these specified parties.

MANAGEMENT LETTER

Honorable Mayor-Commissioner and
Board of Commissioners
City of Cedar Key
Cedar Key, Florida

Report on the Financial Statements

We have audited the financial statements of the City of Cedar Key, Florida (the City) as of and for the fiscal year ended September 30, 2023, and have issued our report thereon dated June 28, 2024.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on an examination conducted in accordance with American Institute of Certified Public Accountants Professional Standards, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated June 28, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address significant findings and recommendations made in the preceding financial audit report. There were no recommendations made in the preceding audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The City was established in 1923 under a Charter in accordance with Laws of Florida 9698. The City includes the Cedar Key Community Redevelopment Agency (CKCRA) as a component unit. The CKCRA is reported as a special revenue fund in the accompanying financial statements.

MANAGEMENT LETTER

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the City met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the City did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures for the City. It is management's responsibility to monitor the City's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we noted the following recommendation for financial management improvement:

2023-01

■ Financial Close and Reporting

The City experienced significant turnover in positions involved in the financial close and reporting process, including that of its outsourced accounting firm. As a result, upon commencement of the audit, the preliminary working trial balance did not reflect all the required closing entries. Several audit adjustments were required after we began the audit process, including entries to record capital assets, debt, compensated absences, pension liability, and lease activity. The lack of an effective financial close and reporting process increases the risk that material misstatements will not be detected in a timely manner. It also results in delays in performing and completing the audit. We recommend the City evaluate its annual financial close and reporting process and engage the necessary expertise prior to the commencement of the audit to reduce the risk of inaccurate financial information and delays in the audit process.

Special District Component Units

Section 10.554(1)(i)5.c., *Rules of the Auditor General*, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Specific Information

The required reporting items in accordance with Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, *Rules of the Auditor General*, for the CKCRA have been reported in separately-issued audited financial statements of the CKCRA.

Honorable Mayor-Commissioner and
Board of Commissioners
City of Cedar Key
Cedar Key, Florida

MANAGEMENT LETTER

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate non-compliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, City Commissioners and applicable management, and is not intended to be, and should not be, used by anyone other than these specified parties.

Ladies and Gentlemen:

This letter is provided in connection with your audit of the financial statements of the City of Cedar Key, Florida, as of September 30, 2023. Our response to your recommendation and concerns are as follows:

2023-01 Financial Close and Reporting

We, the city, recognize this deficiency and agree to the cause of the situation. We have rehired the previously used accounting firm for future management of the City's fiscal year end close out and reporting process to reduce the risk of inaccurate financial information and delays in the audit process.

Sincerely,

Sue Colson, Mayor
City of Cedar Key

COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

We have audited the financial statements of the governmental activities and the major fund of the Cedar Key Community Redevelopment Agency (the CKCRA), a component unit of the City of Cedar Key, Florida (the City), for the year ended September 30, 2023. Professional standards require that we provide you with the following information about our responsibilities under generally accepted auditing standards and *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated February 14, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the CKCRA are described in Note 1 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the year. We noted no transactions entered into by the CKCRA during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates may be particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We did not identify any particularly sensitive estimates in the financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to the financial statement users. The most sensitive disclosure affecting the financial statements was:

- The disclosure of long-term debt in Note 3, which describes the most significant obligations of the CKCRA.

The disclosures in the financial statements are neutral, consistent, and clear.

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. See attached Schedule of Audit Adjustments.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated June 28, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the CKCRA's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the CKCRA's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

We applied certain limited procedures to the Required Supplementary Information (RSI) as identified in the table of contents of the financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

Restriction on Use

This information is intended solely for the use of the City Commissioners and applicable management of the CKCRA and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and the major fund of the Cedar Key Community Redevelopment Agency (the CKCRA), a component unit of the City of Cedar Key, Florida (the City), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the CKCRA's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the CKCRA, as of September 30, 2023, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the CKCRA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CKCRA's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

CERTIFIED PUBLIC ACCOUNTANTS

purvisgray.com

Members of American and Florida Institutes of Certified Public Accountants

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CKCRA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the CKCRA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the budgetary comparison information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

INDEPENDENT AUDITOR'S REPORT

inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 28, 2024, on our consideration of the CKCRA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CKCRA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CKCRA's internal control over financial reporting and compliance.

June 28, 2024
Gainesville, Florida

MANAGEMENT'S DISCUSSION AND ANALYSIS

The Cedar Key Community Redevelopment Agency's (the CKCRA) management's discussion and analysis (MD&A) is designed to: (a) assist the reader in focusing on significant financial issues; (b) provide an overview of the CKCRA's financial activity; (c) identify changes in the CKCRA's financial position (its ability to address the next and subsequent year challenges); (d) identify any material deviations from the financial plan (the approved budget); and (e) identify individual fund issues or concerns.

Since the MD&A is designed to focus on the current year's activities, resulting changes and currently known facts, it should be read in conjunction with the CKCRA's financial statements which follow this section.

FINANCIAL HIGHLIGHTS

Financial Highlights

- The CKCRA's liabilities exceeded its assets by \$2,317,484 at the close of fiscal year 2023 (deficit net position). The CKCRA's deficit net position improved by \$859,441 during fiscal year 2023.
- The CKCRA's general revenues for 2023 increased by \$120,199 or 14.1% when compared to fiscal year 2022. The CKCRA's interest charges decreased by \$20,033 or 15.3% during this same period.
- Non-current liabilities as of September 30, 2023, are reported at \$1,890,000 and total liabilities are reported at \$2,518,781. This was a decrease of \$658,145 during the current fiscal year.

CKCRA Highlights

Revenue Note: Through the CKCRA, a \$9,200,000 revenue note was issued through SunTrust Bank (currently Truist Bank) in fiscal year 2008 for projects approved in the CKCRA Plan. In fiscal year 2023, the note was transferred to Argosy Credit Partners II, L.P.

The CKCRA's expenditures during the 2022-2023 fiscal year were payments of interest and principal of the above referenced revenue note and a transfer to the City of Cedar Key for a sidewalk project.

Overview of the Financial Statements

This annual report consists of four components: 1) management's discussion and analysis (this section), 2) government-wide and fund financial statements, 3) notes to the financial statements, and 4) required supplementary information.

Government-Wide Financial Statements

The government-wide financial statements provide readers with a broad overview of the CKCRA's finances in a manner similar to a private-sector business.

The Statement of Net Position presents information on all the CKCRA's assets and liabilities, with the difference between the two reported as net position. This statement serves a purpose similar to that of the balance sheet of a private-sector business. Over time, increases and decreases in net position may serve as one indicator of whether the financial position of the CKCRA is improving or deteriorating.

MANAGEMENT'S DISCUSSION AND ANALYSIS

The Statement of Activities presents information showing how the CKCRA's net position changed during the fiscal year. All changes in net position are reported using the accrual basis of accounting.

Notes to the Financial Statements

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

GOVERNMENT-WIDE STATEMENTS

Statement of Net Position

The following is a summary of the CKCRA's governmental activities net position for each of the past two years:

	<u>Governmental Activities</u>	
	<u>2023</u>	<u>2022</u>
Assets		
Current and Other Assets	\$ 201,297	\$ 1
Total Assets	<u>201,297</u>	<u>1</u>
Liabilities		
Current Liabilities		
Redevelopment Revenue Note Interest Payable	48,781	127,962
Redevelopment Revenue Note	<u>580,000</u>	<u>578,964</u>
Total Liabilities	<u>628,781</u>	<u>706,926</u>
Non-Current Liabilities		
Redevelopment Revenue Note, Non-Current	<u>1,890,000</u>	<u>2,470,000</u>
Total Liabilities	<u>2,518,781</u>	<u>3,176,926</u>
Net Position (Deficit)		
Unrestricted	<u>(2,317,484)</u>	<u>(3,176,925)</u>
Total Net Position (Deficit)	<u>\$ (2,317,484)</u>	<u>\$ (3,176,925)</u>

MANAGEMENT'S DISCUSSION AND ANALYSIS

Statement of Activities

The following is a summary of the changes in the CKCRA's governmental activities net position for each of the past two years:

	<u>Government Activities</u>	
	<u>Fiscal Year 2023</u>	<u>Fiscal Year 2022</u>
Expenses:		
Interest Charges	\$ 111,166	\$ 131,199
Total Expenses	<u>111,166</u>	<u>131,199</u>
General Revenues:		
Tax Increment Financing	920,099	785,068
Miscellaneous	482	-
Contribution from City	76,578	65,340
Transfer to City	<u>(26,552)</u>	<u>-</u>
Total General Revenues	<u>970,607</u>	<u>850,408</u>
Change in Net Position	859,441	719,209
Net Position (Deficit), Beginning of Year	<u>(3,176,925)</u>	<u>(3,896,134)</u>
Net Position (Deficit), End of Year	<u>\$ (2,317,484)</u>	<u>\$ (3,176,925)</u>

Governmental activities improved the CKCRA's deficit net position by \$859,441.

GOVERNMENTAL FUNDS

Revenues

The millage rate was maintained at 4.744 mills for fiscal year 2023 and property values reflected a strong increase. The CKCRA property tax revenues increased by \$135,031 during fiscal year 2023. The transfer from other governments increased \$11,238.

Expenditures

The CKCRA expenditures increased by \$54,546 or 6.4%.

As of year-end, the governmental funds (as presented on the balance sheet) reported a \$201,297 fund balance, which was a direct result of maintaining the prior year millage rate and increasing property values.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

There were no capital asset acquisitions in the current fiscal year.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Debt Outstanding

There was outstanding debt in the amount of \$2,470,000 for the Redevelopment Revenue Note as of September 30, 2023.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

There are many challenges facing local governments today. Property values have continued to increase in recent years, contributing to related growth in the revenues of the CKCRA. While property values for the 2022-2023 fiscal year have increased, the future outlook of property values is unknown.

FINANCIAL CONTACT

The CKCRA's financial statements are designed to present users (citizens, taxpayers, customers, and creditors) with a general overview of the CKCRA's finances and to demonstrate the CKCRA's accountability. If you have any questions about the report or need additional information, contact City Hall, City of Cedar Key, P.O. Box 339, Cedar Key, Florida 32625, telephone: (352) 543-5132.

NOTES TO FINANCIAL STATEMENTS

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023
CEDAR KEY COMMUNITY REDEVELOPMENT AGENCY
(A COMPONENT UNIT OF THE CITY OF CEDAR KEY, FLORIDA)

Note 1 - Summary of Significant Accounting Policies

Financial Reporting Entity

In December 1999, the Cedar Key Community Redevelopment Agency (the CKCRA) was established by the City of Cedar Key, Florida (the City), by Resolution No. 194 as a public body organized pursuant to Part III, Chapter 163 of the Florida Statutes. The CKCRA's stated purpose is to promote redevelopment that is consistent with and implements a shared vision for the City. The governing body of the CKCRA is the City Commission of the City.

A redevelopment trust fund was established in December 1999 with the original redevelopment plan. The redevelopment plan was amended in 2000 and 2004 to incorporate changes of the vision of the City.

The following is a summary of the significant accounting policies applicable to the CKCRA:

- The accounting policies of the CKCRA conform to accounting principles generally accepted in the United States of America (GAAP) applicable to governmental units. The Governmental Accounting Standards Board (GASB) is the standard setting body for governmental accounting and financial reporting.

Government-Wide and Fund Financial Statements

The government-wide financial statements report information on all of the governmental activities of the CKCRA. The government-wide focus is more on the sustainability of the CKCRA as an entity and the change in aggregate financial position resulting from the activities of the fiscal period. The fund financial statements focus on short-term results of operations and financing decisions at a specific fund level. Governmental activities are normally supported by taxes and intergovernmental revenues.

The statement of activities demonstrates the degree to which the direct expenses of a given functional category are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific functional category. Program revenues include operating and capital grants and contributions. In 2023, the CKCRA did not have any program revenues. Taxes and other items not included as program revenues are reported as general revenues.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The basic financial statements consist of the government-wide financial statements and fund financial statements. The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Tax increment financing from property taxes are recognized as revenue in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Only current assets and deferred outflows of resources and current liabilities and deferred inflows of resources are generally included on the balance sheet. Since the governmental fund statements are presented on a different measurement focus and basis of accounting than the government-wide governmental activities column, a reconciliation is sometimes necessary to explain the adjustments needed to reconcile the fund-based financial statements to the governmental activities column of the government-wide presentation.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023
CEDAR KEY COMMUNITY REDEVELOPMENT AGENCY
(A COMPONENT UNIT OF THE CITY OF CEDAR KEY, FLORIDA)

Fund operating statements present sources (revenue and financing sources) and uses (expenditures and other financing uses) of available spendable resources during the period. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the CKCRA considers revenues to be available if they are collected within 60 days of the end of the fiscal year. Expenditures generally are recorded when a liability is incurred, as under accrual accounting, except for debt service expenditures, which are recognized when due.

Tax increment financing revenue and interest associated with the current fiscal period, are both considered to be measurable and have been recognized as revenues of the current fiscal year, if available.

Per Florida Statutes, Section 163.387, resources deposited into a redevelopment trust fund are restricted for community redevelopment activities pursuant to the approved redevelopment plan.

The CKCRA reports the general fund as a major governmental fund. The CKCRA fund is used to account for all financial resources received by the CKCRA. The CKCRA fund serves as the primary operating fund of the CKCRA. The CKCRA does not have any non-major funds.

Assets, Liabilities and Net Position

Nature and Purpose of Fund Balance: Per Florida Statutes, Section 163.387, unspent tax increment financing revenues are restricted for future redevelopment projects pursuant to the approved community redevelopment plan and are reported as restricted fund balance in the financial statements. There are no other classifications of fund balance.

Compensation Costs: The CKCRA has no employees of its own.

Net Position: The government-wide statements utilized a net position presentation. Net investment in capital assets is that portion of net position that relates to the CKCRA's capital assets reduced by accumulated depreciation. Restricted net position is unspent tax increment financing revenues that are restricted for future redevelopment projects.

Use of Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risk Management: The CKCRA is adequately insured for general liability and directors and officers insurance through the purchase of a commercial insurance policy. The amount of settlements has not exceeded insurance coverage in any of the past three years.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023
CEDAR KEY COMMUNITY REDEVELOPMENT AGENCY
(A COMPONENT UNIT OF THE CITY OF CEDAR KEY, FLORIDA)

Note 2 - Deposits and Investments

At year-end, the CKCRA's cash balance was \$201,297. The CKCRA's bank deposits are held in qualified depositories pursuant to Chapter 280, Florida Statutes, *Florida Security for Public Deposits Act* (the Act). Under the Act, all qualified public depositories are required to pledge eligible collateral having a market value equal to or greater than the average daily or monthly balance of all public deposits times the depository's collateral pledging level. The collateral pledging level may range from 25% to 200% depending upon the depository's financial condition and the length of time that the depository has been established. All collateral must be deposited with an approved financial institution. The Public Depository Security Trust Funds have a procedure to allocate and recover losses in the event of default or insolvency. The CKCRA's bank balances were insured either by the federal depository insurance corporation or collateralized in the bank's participation in the Act.

Authorized Investments

The CKCRA does not have a separate or written deposit and investment policy and it follows the state's guidance set forth in Section 219.075, Florida Statutes, regarding deposits and investments of surplus funds. That section requires local governments without written investment policies to follow the state policy in Section 218.415(17), Florida Statutes. That section authorizes the following investments:

- The Local Government Surplus Funds Trust Fund or any governmental investment pool authorized pursuant to the *Florida Interlocal Cooperation Act*, as provided in Florida Statute 163.01.
- Securities and Exchange Commission registered money market fund with the highest credit quality rating from a nationally recognized rating agency.
- Interest-bearing time deposits or savings accounts in qualified depositories.
- Direct obligations of the United States Treasury.

The CKCRA does not have policies that address credit risk, custodial credit risk, or interest rate risk. The CKCRA had no investments at year-end or during the year.

Note 3 - Long-Term Debt

The CKCRA authorized the issuance of a \$9,200,000 Redevelopment Revenue Note, Series 2007, dated December 20, 2007. The proceeds from the note were used to pay off existing outstanding loans of approximately \$2,315,420 and pay issuance costs of \$55,000. The balance of funds was used for various capital projects and to pay debt service.

Payment of principal and interest at 3.95% is due semiannually on April 15 and October 15, through April 15, 2027.

The CKCRA Redevelopment Revenue Note is secured solely by the Tax Increment Revenues derived from the Redevelopment Area established under Ordinance No. 338 enacted by the City on October 10, 2000, as provided by Section 163.387, Florida Statutes. Neither the City nor the CKCRA shall ever be required to levy ad valorem taxes to pay the principal or interest on the Redevelopment Revenue Note. The holder of the Redevelopment Revenue Note shall not be entitled to payment of the note from any funds of the CKCRA except from Tax Increment Revenues described above.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023
CEDAR KEY COMMUNITY REDEVELOPMENT AGENCY
(A COMPONENT UNIT OF THE CITY OF CEDAR KEY, FLORIDA)

Interest expense recorded during 2023 on long-term debt totaled \$111,166, none of which was capitalized.

Principal and interest amounts due through maturity on long-term debt are as follows:

<u>Year Ending September 30,</u>	<u>Principal Amount</u>	<u>Interest Amount</u>
2024	\$ 580,000	\$ 97,565
2025	605,000	74,655
2026	630,000	50,758
2027	<u>655,000</u>	<u>25,872</u>
Total	<u>\$ 2,470,000</u>	<u>\$ 248,850</u>

The following tabulation summarizes the changes in the long-term debt during the year ended September 30, 2023:

	<u>Beginning Balance</u>	<u>Increases</u>	<u>(Decreases)</u>	<u>Ending Balance</u>	<u>Due Within One Year</u>
\$9.2 Million Redevelopment Revenue Note, Direct Borrowing	\$ 3,048,964	\$ -	\$ (578,964)	\$ 2,470,000	\$ 580,000

Events of Default – The following shall constitute an event of default in accordance with the City’s Resolution No. 285 (the Resolution):

- The CKCRA’s failure to pay any payment of principal and interest on any Note as the same becomes due and payable.
- Default in the performance or observance of any covenant or agreement contained in the Resolution and failure to cure the same within thirty (30) days.
- Filing of a petition by or against the CKCRA relating to bankruptcy, reorganization, arrangement or readjustment of debt of the CKCRA, or for any other relief relating to the CKCRA under the United States Bankruptcy Code, as amended, or any other insolvency act or law now or hereafter existing, or the involuntary appointment of a receiver or trustee for the CKCRA, and the continuance of any such event for 90 days undismissed or undischarged.

Upon the occurrence and during the continuation of any event of default, the owner of the note may declare the entire debt then remaining unpaid immediately due and payable, and in any such default and acceleration, the CKCRA shall also be obligated to pay, as part of the indebtedness evidenced by the note, all costs of collection and enforcement hereof, including such reasonable attorney’s fees as may be incurred, including on appeal or incurred in any proceeding under bankruptcy laws as they now or hereafter exist.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023
CEDAR KEY COMMUNITY REDEVELOPMENT AGENCY
(A COMPONENT UNIT OF THE CITY OF CEDAR KEY, FLORIDA)

Note 4 - Tax Increment Financing Revenue

The CKCRA is primarily funded through tax increment financing revenue. This revenue is computed by applying the millage rate for Levy County multiplied by the increased value of property in the CKCRA over the base property value minus 5% and applying the millage rate for the City multiplied by 15% of the increased value of property in the CKCRA over the base property value. The City and Levy County are required to fund this amount annually without regard to tax collections or other obligations.

NOTE TO REQUIRED SUPPLEMENTARY INFORMATION
SEPTEMBER 30, 2023
CEDAR KEY COMMUNITY REDEVELOPMENT AGENCY
(A COMPONENT UNIT OF THE CITY OF CEDAR KEY, FLORIDA)

Note 1 - Budgetary Procedures and Budgetary Accounting

The Cedar Key Community Redevelopment Agency (the CKCRA) adheres to the following procedures in establishing the budgetary data reflected in the accompanying financial statements:

- Prior to September 30, the City Commission submits a proposed operating budget for the CKCRA Fund for the fiscal year commencing October 1. The operating budget includes proposed expenditures and the means of financing them.

OTHER REPORTS

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities and the major fund of the Cedar Key Community Redevelopment Agency (the CKCRA), a component unit of the City of Cedar Key, Florida (the City), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the CKCRA's basic financial statements, and have issued our report thereon dated June 28, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the CKCRA's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the CKCRA's internal control. Accordingly, we do not express an opinion on the effectiveness of the CKCRA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

City of Cedar Key
Cedar Key, Florida

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the CKCRA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CKCRA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CKCRA's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

June 28, 2024
Gainesville, Florida

**INDEPENDENT ACCOUNTANT’S REPORT ON COMPLIANCE
WITH FLORIDA STATUTE SECTION 218.415 – INVESTMENTS OF PUBLIC FUNDS**

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

We have examined the Cedar Key Community Redevelopment Agency’s (the CKCRA) compliance with Section 218.415, Florida Statutes during the fiscal year ended September 30, 2023. The CKCRA’s management is responsible for the CKCRA’s compliance with those requirements. Our responsibility is to express an opinion on the CKCRA’s compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CKCRA complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CKCRA complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination of the CKCRA’s compliance with specified requirements.

In our opinion, the CKCRA complied, in all material respects, with the aforementioned requirements during the fiscal year ended September 30, 2023.

This report is intended solely for the information and use of the Florida Auditor General, the City Commissioners, and applicable management, and is not intended to be, and should not be, used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANT’S REPORT ON COMPLIANCE
WITH SECTION 163.387(6) AND (7), FLORIDA STATUTES – REDEVELOPMENT TRUST FUND**

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

We have examined the Cedar Key Community Redevelopment Agency’s (the CKCRA) compliance with Section 163.387(6) and (7), Florida Statutes during the fiscal year ended September 30, 2023. The CKCRA’s management is responsible for the CKCRA’s compliance with those requirements. Our responsibility is to express an opinion on the CKCRA’s compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CKCRA complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CKCRA complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination of the CKCRA’s compliance with specified requirements.

In our opinion, the CKCRA complied, in all material respects, with the aforementioned requirements during the fiscal year ended September 30, 2023.

This report is intended solely for the information and use of the Florida Auditor General, the City Commissioners, and applicable management, and is not intended to be, and should not be, used by anyone other than these specified parties.

MANAGEMENT LETTER

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

Report on the Financial Statements

We have audited the financial statements of the Cedar Key Community Redevelopment Agency (the CKCRA), a component unit of the City of Cedar Key, Florida (the City), as of and for the fiscal year ended September 30, 2023, and have issued our report thereon dated June 28, 2024.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountant's Reports on an examination conducted in accordance with American Institute of Certified Public Accountants *Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated June 28, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding financial report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This is disclosed in Note 1 of the financial statements.

MANAGEMENT LETTER

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the CKCRA met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the CKCRA did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures for the CKCRA. It is management's responsibility to monitor the CKCRA's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Unit

Section 10.554(1)(i)5.c., *Rules of the Auditor General*, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Specific Information

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, *Rules of the Auditor General*, the CKCRA reported:

- a. The total number of CKCRA employees compensated in the last pay period of the CKCRA's fiscal year as 0.
- b. The total number of independent contractors to whom non-employee compensation was paid in the last month of the CKCRA's fiscal year as 0.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$0.
- d. All compensation earned by or awarded to non-employee independent contractors, whether paid or accrued, regardless of contingency as \$0.
- e. Each construction project with a total cost of at least \$65,000 approved by the CKCRA that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as \$0.
- f. A budget variance based in the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the CKCRA amends a final adopted budget under Section 189.016(6), Florida Statutes, as \$0.

To the Honorable City Commissioners
City of Cedar Key
Cedar Key, Florida

MANAGEMENT LETTER

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires that we communicate non-compliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and Florida House of Representatives, the Florida Auditor General, and the City Commissioners and applicable management of the CKCRA, and is not intended to be, and should not be, used by anyone other than these specified parties.

Amount Written in Words: Three Million Four Hundred Ninety-Two Thousand Seven Hundred Sixty-Two Dollars and Fifty Cents

PROPOSER NAME/DATE: DRC Emergency Services, LLC

**City of Cedar Key
Commission Meeting
Agenda Item**

Submitted By: Robert Robinson, Fire Chief / EMD

Meeting Date: July 16, 2024

Subject: Mitigation project discussion and oversight

Attachments: None

Description: Discuss moving forward with mitigation projects and possible new projects. The possibility of an RFP for companies to manage these projects along with other assistance.

Additional projects for LMS Project List: A narrative, scope of work and a “good” estimated cost for each project.

Possible Commission Action: Approval of moving forward with the RFP.

**City of Cedar Key
Commission Meeting
Agenda Item**

Submitted By: Robert Robinson, Fire Chief / EMD

Meeting Date: July 16, 2024

Subject: Mayor's Signature on Mitigation Applications

Attachments: None

Description: The City Charter allows for Mayor to sign documents such as grants. In a previous meeting, the commission directed the EMD to move forward with applications for mitigation projects. I need to confirm and have commissioners state in a meeting they approve the Mayor signing these documents. There is a great possibility we will get an RFI (request for information) from FDEM for this approval.

Possible Commission Action: APPROVE
