Workshop Topic

CivicPlus Website & Automation Project Update

The purpose of this workshop is to receive an update on the City's CivicPlus Website and Automation Project, provide the Commission and public with the current status of both projects, discuss implementation progress, identify any remaining action items, and determine the next steps necessary to move the projects forward toward completion and implementation.

Discussion may include, but is not limited to:

- Status of the new City website.
- Status of the CivicPlus automation and workflow project.
- Remaining project tasks and implementation timeline.
- Staff responsibilities and project administration.
- Future maintenance and ongoing management.
- Commission direction regarding project completion and launch.

No final action is anticipated; however, direction may be provided to City staff.

The public is invited and encouraged to attend.

In accordance with the Americans with Disabilities Act (ADA), persons needing a special accommodation to participate in this proceeding should contact the City Clerk's Office at (352) 543-5132 at least 48 hours prior to the meeting.
